OBJECTIVE

I am always interested in learning new frameworks, and I love challenging myself with large scale projects.

EXPERIENCE

IT SPECIALIST - FARRIS ENTERPRISES, INC.

September 2017 – February 2020 (2 years, 6 months)

As an IT Specialist I did:

- Created an Inventory system for our shop which saved over a Thousand dollars.
- Updated and Maintained Company Website Weekly.
- Created ads for the Company's Services, as well as maintained Social Media pages.
- Worked on fixing many of the workstations inside the office.
- Made sure all workstations were up to date on Security.
- Setup any new phones as well as repair them for Technicians and instructed them on how to use our systems and devices.
