## EXPERIENCE

### IT SPECIALIST, VEHICLE MANAGER, SAFETY MANAGER/FARRIS ENTERPRISES, INC.

September 2017 – February 2020 (2 years, 6 months)

I mainly did IT work ranging from setting up phones to managing a file server. As a Vehicle Manager, I supervised our fleet and made sure all vehicles were up to date on oil changes, inspections and was in charge of checking our GPS logs of the vehicles. As safety manager I researched, developed and presented safety topics for our weekly meetings. I also assisted in processing payroll. Worked in the field when needed on a wide range of projects ranging from: Window installation, assisted in plumbing, work on dock lifts, and much more.

### SALES ASSOCIATE.

October 2014 – January 2015 (3 months)

I greeted customers, made sure they were able to get what they needed. Organized products and merchandise and ran the register.
